

SYC Emergency Notification System: REMIND

Bad weather, burst water pipes, heater failures. As there are a number of reasons for which school may be cancelled or events postponed, we want to be sure to let you know of any last-minute changes as promptly as possible. While we will continue to post such information on the SYC Facebook page (be sure to “like” us!) and will send out email blasts, texting seems to be the best way to reach most people quickly, no matter where they are or what they’re doing.

SYC uses **Remind** <https://www.remind.com/learn-more>, a free (standard text message rates apply) text messaging service to get important text messages out quickly.

If you would like to subscribe to this service, please follow these directions. **Please note that you DO need to sign up again, even if you did so last year.**

(Note: You must subscribe to each class separately.)

Send a text message to **81010**.

If you decide you don't care for the service, you may unsubscribe by replying "unsubscribe" to any text or email from **Remind**. Or let us know and we'll unsubscribe you.
